RECENT PROJECTS

Moody Memes

🔗 [Live](#)

React | REST APIs | Firebase | JS

🐙 [Repo](#)

- A React app that allows users to track their mood in gifs over time
- A team-based project using third-party APIs and Firebase, working in an agency environment for a client, git collaboration, UI design and functional programming

Rhyme Time

🔗 [Live](#)

React | REST APIs | JS

🐙 [Repo](#)

- A single-page React app that generates rhymes per user-generated search word
- Solo project using RESTful APIs, core React concepts, understanding of app architecture, and functional programming

Queen Quotes

🔗 [Live](#)

JS | REST APIs | SCSS | HTML

🐙 [Repo](#)

- A quiz app where the user guesses quotes by drag queens based on API data
- A pair-programming project using RESTful APIs, Javascript, DOM manipulation, error handling and UI design

BeachStays

🔗 [Live](#)

JS | SCSS | HTML

🐙 [Repo](#)

- A multi-page PSD conversion, adhering to style guide requirements and SCSS partials for CSS organization and implementation; Functional UI elements with vanilla JS

WORK EXPERIENCE

Toronto District School Board, Teacher | Oct 2020-present

- Fostered intellectually rich and socially inclusive in-person and virtual classrooms, and reached 100+ students per semester through incorporating interactive EdTech (i.e. Nearpod, Peardeck, Flipgrid, Padlet, Mentimeter, Soundtrap etc.)
- Coordinated a year-end Music and Arts Concert which reached a 300+ community audience, and raised OSSLT scores from 92-98% through targeted extra-help

York University, Research Assistant | May-Aug 2020

- Assisted in creating a resource guide for digital music technology to help music teachers increase use of emerging music technologies. Successfully implemented guide to 50+ staff at the Community Music Schools of Toronto

Helen Ziegler & Assoc., Recruitment Coordinator | May 2017-Aug 2018

- Supported in recruiting and screening healthcare candidates for hospitals in the Arabian Peninsula, and tracked the requirement status for 50+ candidates at a time
- Received a promotion from Recruitment Assistant to Coordinator, and 2 pay raises in under 12 months

Community Music Schools of Toronto, Faculty | Jan 2017-present

- Taught music online and created YouTube videos incorporating Music EdTech, reaching a total student body of 700+ students in Regent Park, Jane and Finch, and other satellite locations
- Worked with K-12 students in a classroom-setting, community school and developed creative resources to meet student interests and learning needs, collaborating with 50+ staff
