WORK EXPERIENCE

Toronto District School Board | Oct 2020 - present

Secondary Teacher

- Created intellectually rich and socially inclusive in-person and virtual classrooms, and aimed to reach all students (100+ students per semester) through incorporating effective and interactive educational technologies such as Nearpod, Peardeck, Flipgrid, Padlet, Mentimeter, Soundtrap, BandLab, GarageBand, Flat.io etc.
- Coordinated a year-end Music and Arts Concert between two schools which reached a 300+ community audience
- Raised OSSLT scores from 92-98% through targeted extra-help

York University | May - Aug 2020

Research Assistant (Department of Computational Arts)

- Assisted in creating a resource guide for digital music technology aimed to help classroom music teachers increase use of emerging music technologies in their classroom - in response to COVID-19 remote teaching. Successfully presented and implemented a resource guide to support the 50+ staff at the Community Music Schools of Toronto.

Helen Ziegler & Associates Inc. | May 2017 - Aug 2018

Recruitment Coordinator

- Provided support in recruiting and screening potential healthcare candidates for accredited hospitals in the Arabian Peninsula, and tracked the status of candidate requirements, licensing procedures, and contract offers for over 50 candidates at a time
- Received a promotion from Recruitment Assistant to Recruitment Coordinator, as well as 2 pay raises in under 12 months

Community Music Schools of Toronto | Jan 2017

Faculty - present

- Taught music through online platforms during COVID-19 restrictions (Zoom and asynchronous teaching via creating YouTube videos and utilizing digital technologies), reaching a total student body of 700+ students in Regent Park, Jane and Finch, and more
- Prior to the pandemic, taught K-12 students in a classroom-setting, urban community school and developed creative resources to meet student interests and learning needs, collaborating with 50+ staff
